Commissioner for Patents

The information disclosure statement filed 10/30/2006 fails to comply with 37 CFR 1.98(a)(3) because it does not include a concise explanation of the relevance, as it is presently understood by the individual designated in 37 CFR 1.56(c) most knowledgeable about the content of the information, of each patent listed that is not in the English language. It has been placed in the application file, but the information referred to therein has not been considered. Applicant provided an abstract of a Japanese document, but failed to provide the abstract for the appropriate Korean document.

The information disclosure statement filed 9/20/2005 has been placed in the application file, but the information referred to therein has not been considered. Applicant submitted a Japanese document without translation or an explanation of the contents of the document.
